

# Outreach Guide

Steph's Angels is a 501c3 Registered Non-Profit Organization. EIN is 82-4369785. We pay for Healthcare for the pets of the homeless.

- The client needs to show the "Verification Of Homelessness" Form to receive care. He needs to take this form to the Vet.
- If the client has a "Good Samaritan" to pay the care directly at receiving care, the "Steph's Angels Care Form" needs to be filled out by all 3 parties (Pet Owner, "Samaritan", Vet). This form stays with the "Samaritan" for Tax Purposes. It is up to the "Samaritan" to decide what care he is willing to cover.

Covered, as of June 2018:

- Preventative care: Flea, Tick, Heartworm.

Current participating Vet Clinics:

- Starch Pet Hospital, 2222 University Ave, Des Moines
- University West Pet Clinic, 8145 University Blvd, Clive
